Report of the Board of Stewards for the period August 15, 2007 through August 20, 2007.

WEDNESDAY

8-15-07

1 MINUTES

Albert Christiansen will compose the minutes for this week.

2 CAL-BRED REPORT

The third, fourth and sixth races on the program were for California Breds.

3 DOUBLE DRAW

Entries for Saturday and Sunday's programs were drawn today.

4 CASE SETTLED

San Luis Rey Downs and trainer Alvin Ruiz settled a financial complaint concerning stall rent today.

5 MISCOMMUNICATION

At 11:10 a.m. the Stewards became aware of an error pertaining to a scratch. Immediately upon the news, #1 Tribal Fire in the fourth race, was returned to the wagering pools. Director of Mutuels Bill Navarro reported the horse had been out of the pools for ten minutes and there was little activity in the wagering. The mistake was traced to apparent miscommunication between the receiving barn and Assistant Clerk of Scales Charlie McCaul. #1 Gotta Go Gal in the third race was the actual scratch.

6 STEWARDS INQUIRY - NO CHANGE

After the finish of the third race (Six and One-Half Furlongs) the Stewards posted the inquiry sign to review the start. Upon review it was obvious that #3 O Bee Lucky (jockey Martin Garcia) reared at the start, lunged into #2 Celtic Way (jockey Joe Talamo), causing severe interference to the latter. Since #2 out - finished #3 there was no reason to alter the original order of finish.

7 STEWARDS INQUIRY/ JOCKEY OBJECTION - NO CHANGE

Following the finish of the seventh race (Five Furlongs on the Turf) the Stewards posted the inquiry sign to review several separate incidents. Also, jockey Tyler Baze aboard the eighth place finisher (last) #4 Corazondelcampeon claimed foul against the sixth place finisher #7 Bonfante (jockey Aaron Gryder) for alleged interference about fifty yards after the start. Tape replays fail to substantiate Baze's allegations and no change was warranted. The next incident the Stewards reviewed happened approaching the quarter pole and involved the previously mentioned #7 Bonfante. Replays show, and jockey Gryder verified, that #7 is lugging in badly and sharply checks off a rival's heels. As the horse caused his own problem no change was necessary. The third incident occurred in mid-stretch and involved the second place horse #3 Scottsbluff (jockey Clinton Potts). Replay's show #3 driving between rivals, pushing the tiring #6 Indian Breeze (jockey Martin Pedroza) out, however the incident did warrant a disqualification.

After talking with the patrol judges, interviewing the riders involved and reviewing the replays, the Stewards unanimously agreed to disqualify #4 from second and place her third, behind #2, for interference at the eighth pole. Jockeys Matt Garcia and Martin Pedroza reviewed the third race from yesterday's program. Both riders were cautioned to make better efforts in maintaining a straight course. Next, five riders from race #1 appeared to review the disqualification of Michael Baze's mount. The Stewards were of the opinion that because Baze's mount changed leads to drop in, then suddenly veers out; causing the wreck that Mr. Baze was not at fault. After talking with the riders involved, receiving the patrol judges' reports and reviewing the replays, the Stewards unanimously agreed to make no change in the order of finish. Replays show #3 coming between horses at the quarter pole, making slight contact with #9, however the incident did not warrant a disqualification.

5 STEWARDS' INQUIRY - NO CHANGE

Following the finish of the sixth race (Six Furlongs) the Stewards' posted the inquiry sign to review the stretch run. Involved were the second place finisher #12 Colonel John (jockey Garrett Gomez) and the third place finisher #1 Overextended (jockey Corey Nakatani). After talking with the riders involved, receiving the patrol judges' report and reviewing the replays, the Stewards unanimously agreed to let the order of finish stand. Replays show both horses contributing to the contact repeatedly made in the stretch run, thus no change was warranted.
